Learn to Program with Micro:Bit (Grades 4-8)

Saturdays, 9:30 -11:30AM:, April 13, May 11

Learn how to design, build, and program using Micro:Bits! New projects every month. Space is limited, and registration is required for each session. Participants will need a laptop and a Gmail account* and should be comfortable with computers. Grades 4-8.

Sessions are free. Micro:Bits provided. Optional, one-time \$10 materials fee includes a Micro:Bit project kit to keep.

For more info or to register, call 925-5432, message us on FB, or email

tremontlibrarychildrens@gmail.com

* To help our sessions start on time, we strongly suggest participants have their account username and password saved to the laptop they will use during Coding Club OR know it by heart (without adult help). If the child will need help logging in, please come early so they're ready to go at 9:30. Thanks!

Did you know...?

How do you picture our village when it was first settled in the 1830s? At that time, Tremont was wide open prairie. No trees could be seen as far as the eyes could reach. Only one or two board sidewalks

were in existence. There were no fences then, so cattle, hogs and horses roamed at will in the village. So much has changed in the years since then!

Museum Open House

The Tremont Museum will have an Open House on Sunday, April 14 from 1-4PM. You are invited to come and see the many items and displays about Tremont history.

2019 Pool Information

We are happy to announce that the new pool liner installation is in progress!

Tremont Area Park District is grateful to the Tremont Betterment Association for their leadership, funding and volunteer time. Without the community volunteer hours for the annual Turkey Festival, this support would not be possible.

We are looking forward to swimming season 2019! Thank you for your support and patience during our renovations.
